HHC Food Court

Henderson Health Care is proud to offer our staff a meal program designed to provide convenient, affordable, and nutritious meal options for our team members. Located on-site, our kitchen offers a rotating menu of freshly prepared breakfasts, lunches, and suppers, with choices available daily. Employees can enjoy hot meals, grab-and-go items like salads and sandwiches, and even seasonal specials.

Each employee can "Fund" their account for easy access and may contain a maximum balance of \$50. Funding your account can be done through, Seth Schaldecker, Tyler Martin or Casey Kinnison.

Meals can be ordered up to 5 days in advance. The website is available on the HHC employee intranet and through "HHC Shortcuts" on your desktop.

FOOD COURT
POLICY HERE!**

Breakfast orders must be placed by 7:30am

Lunch orders must be placed by 9am.

Supper orders must be placed by 3pm.

Leadership Team Meeting

February 10, 2026

December statistics and financials were reviewed. December had 57 acute days, 22 skilled days and outpatient visits/procedures of 3,481, LTC had 85% occupancy, and clinic volume at 979 visits. We had a total of 49 new patients from both clinics. The hospital acute days of 57 were a new high for the year plus we had another 13 days in observation service which is very similar to the acute service. LTC occupancy declined to 85%. Over 75% of the patient revenue is still driven from outpatient services; a bulk of which is radiology, lab, surgery, and RHCs. YTD revenue \$1.4M.

February Board meeting highlights were reviewed. All LTM reports, QA, Corporate Compliance minutes were reviewed by the Board. Medical staff reappointments approved. One financial assistance application was approved. Next meeting will be held March 12th at 5pm. Board reports and capital expenditure requests are due March 4th.

Leadership Academy- Ashley will be emailing those staff members that were nominated and accepted with upcoming start dates/times.

Building Project Update- Drywall continues and soon we will be coordinating upcoming power outages with the departments affected. These are anticipated to be short outages (under 1 hour). Brian will work closely with department supervisors and staff to determine the least interruptive time for the outages. We appreciate your cooperation as this happens.

Nebraska Wage Surveys- Ashley is submitting our data for the NHCA and NHA wage surveys. This information is collected and distributed back out to all participating organizations. This information is used for HHC to set wage range scales for each position.

Healthstream- Annual training will open in March and all staff will need to complete the mandatory education modules by May 31st.

Employee Health Fair week is being coordinated for April 6-10.

Facility Stats
