We would like to invite everyone to join us for our monthly birthday party. We celebrate this on the third Friday of each month in the Care Center dining room. In the month of October, we will be celebrating on the 17th at 2:30 PM. We ask if your loved ones birthday is during the month to please provide a cake from a licensed bakery/business.

If you were born between October 1-22, you balance the scales of Libra. Libras are very social, seek harmony through compromise, and have strong powers of critical thinking.

Those born between October 23-31 are passionate Scorpions, considered the most intense sign in the zodiac. While on the outside Scorpions are calm and composed, inside they are forceful, emotional, determined, and ambitious.
